

Brandsafe

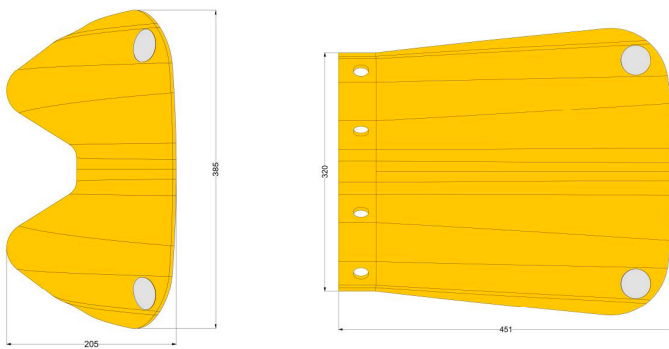

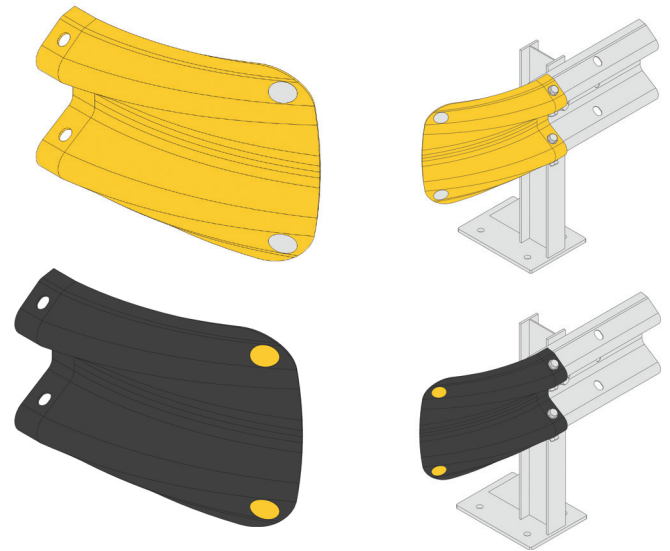

Armco Fishtail Safety End

These flexible **polymer fishtail safety ends** are highly visible and will stand out for your HGV drivers, forklift operators and car owners. They are simple and quick to install and have a retrofit compatibility with all steel Armco terminals. Flexible on impact to eliminate the buckling of steel versions.

Features and Benefits

- Designed to provide a safe termination to Armco.
- Ideal for covering sharp Armco cut ends.
- Provides added visibility for HGV drivers, forklift operators and car owners.
- Flexible upon impact with little-to-no vehicle damage.
- Full retrofit compatibility with all steel Armco ends.
- Suits Armco 310 mm x 85 mm corrugated rails.
- Bolt fix secured with 4 No. M16 x 35 mm bolt-set (to suit pre-holed Armco rail).
- Supplied in Yellow for HGV and service yard areas.
- Supplied in Black for domestic vehicle and front-of-house areas.
