

Brandsafe

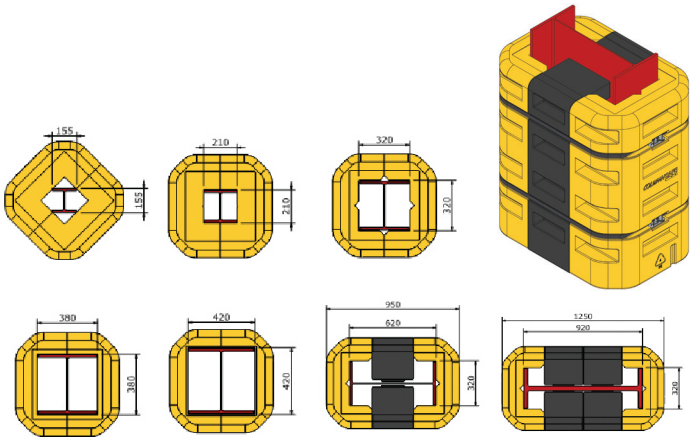

PolyWRAP Column Protectors

These tough and robust recyclable polyethylene **column protectors** are quick and easy to install and are 100% recyclable. They are suitable for structural columns and high risk mezzanine columns where forklifts and power trucks operate. When clashes with columns happen, the protector will cushion the impact.

Features and Benefits

- High visibility impact resistant polywrap column protectors.
- Suit columns sizes from 152 x 152mm up to 914 x 305mm.
- Variety of options moulded to fit snug to your specific column size.
- 800 kg ratchet security strapping.
- Recess feature to cover column base plate and studs (580 x 580mm).
- Suitable for external and internal use.
- Simple and quick to install, no mechanical fixing needed.
